OTHER INFORMATION

- 1 Students are enrolled in a full-time ELICOS course. A full-time course consists of a minimum of 20 hours per week. Students are expected to attend 100% of classes and maintain attendance above 80% at all times.
- 2 Students may initiate a request to defer commencement of studies or suspend their studies on the grounds of compassionate or compelling circumstances. Students wishing to defer the commencement of studies or suspend their studies must apply to do so in writing to IESC. IESC may decide to suspend or cancel a student's enrolment on its own initiative as a response to misbehaviour by the student. Deferral of commencement, suspension of enrolment and cancellation of enrolment has to be reported to the Department of Education and the Department of Home Affairs and Border Protection and may affect the status of a student visa.
- 3 Students must notify IESC of changes of address, telephone number, email address and fax number within 7 days of the change. This is required by visa condition 8533. Failure to do this may mean the student may not receive important information which may affect their course, their enrolment or their visa. On commencement and at least every six months whilst you are enrolled at IESC **you** will be asked to review and update your contact information with IESC.

It is a requirement of the Australian Skills Quality Authority that students can access personal information held by the college and may request corrections to information that is incorrect or out of date. Please apply to the Administration Manager if you wish to view your own records.
